Mr Harald Kynningsrud  
President  
Nordic Crane Group  
Knivsøveien 16  
1788 Berg i Østfold (Halden)  
Norway

Dear Mr Kynningsrud,

Please find enclosed your *IC50* certificate for 2010 with my compliments.

The *IC50* is the original ranking of the largest crane-owning companies in the world. It has appeared every year since June 1995 and its popularity continues to grow. The 2010 list was published in the June 2010 issue of *International Cranes and Specialized Transport* magazine. Inclusion in the *IC50*, which is an important reference and resource, can benefit the company's reputation and it presents marketing opportunities.

The *IC50* figure is obtained by adding together the maximum load moment rating, in tonne-metres, of all wheeled mobile and crawler cranes in a company's fleet. For tower cranes the same method is applied to calculate a company's place in the *IC Tower Index*.

Comments or views that you have on the *IC50* ranking or any other aspect of the magazine are welcome. Please send them to me at the UK postal address or by e-mail.

The 2011 *IC50* is due for publication in the June 2011 issue of *IC* and entry forms will be sent out in February or early March 2011. Please look out for the form and announcements in the magazine and on the web site or ask me for a form nearer the time.

Yours sincerely,
